

# Labor Notes Book Party

## Lessons from Chicago Teachers

**Friday, December 5**  
**4:00pm**

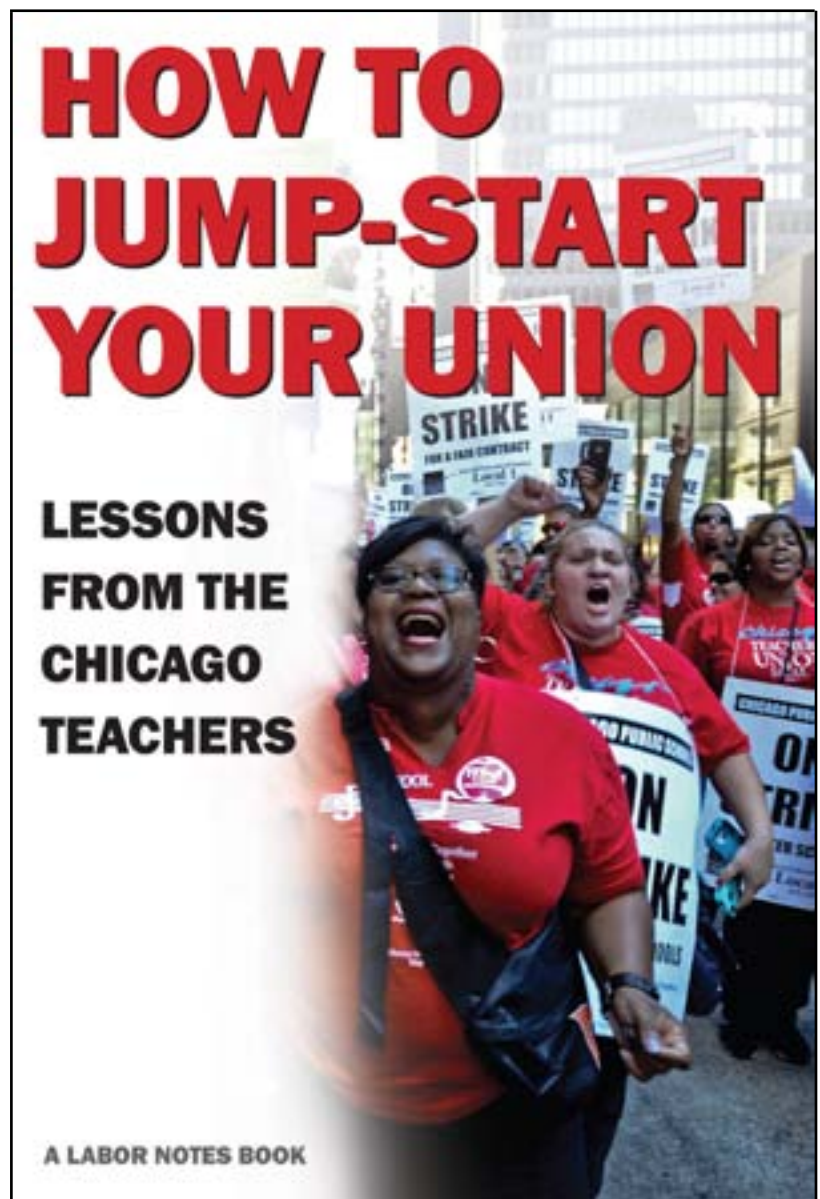

**Riverwest Public House**  
**815 E Locust St**  
**Milwaukee, Wisconsin**

Join us for a discussion of Labor Notes' newest book, *How to Jump-Start Your Union*.

Hosted by **Educators Network for Social Justice** and the **Milwaukee Teachers Education Association** with a presentation from **Labor Notes** author **Samantha Winslow**.

The book documents how teachers in the CTU inspired union members everywhere with their 2012 strike.

In Labor Notes accessible, how- to style, we document how activists transformed their union by working with their communities, organizing a caucus, running for office, rebuilding a stewards network, training new leaders, running a contract campaign, and striking.
