

# PORTLAND LABOR NOTES SCHOOL

**SATURDAY, APRIL 6, 2019**  
**9 A.M. – 4 P.M.**

It's bigger than one workplace. From teachers to truckdrivers and dockworkers to dieticians, greedy corporations are pushing a coordinated agenda to slash wages, abolish pensions, outsource jobs, and gut public services. We'll need unity to fight back and win.

Activists from across the Pacific Northwest are planning a day of skill-building workshops, education, and strategy discussions to put some movement back in the labor movement.

This school will be a great opportunity for union members, stewards, and activists to share strategies and build the solidarity required in these tough times.
